## GIVING JOY

Dear members, donors, and supporters of the Swiss Friends of Sethule Orphans' Trust

Christmas is coming! Like us, the people of Zimbabwe are looking forward to a peaceful and happy festive season. We would like to support them with small gifts and our thoughts and bring a smile to the children of Sethule. We are confident that our sustainable Christmas gifts will make a positive difference to the children's lives.

What better way to end the year than with a donation to children in need? Here are our symbolic gift ideas. No donation is too small. We are grateful for every contribution!

### **10 chicks**

are enough for a rural family

to eat their own eggs and start a small poultry farm

costs **only 25 francs**.

### **A school kit for the new school year**

with exercise books and writing materials, a school uniform, a pair of shoes and shoe polish

to ensure a successful start to the school year

costs **only 75 francs**.

### **A birth certificate**

We cannot provide a birth certificate, but we can offer advice and support

so that a child receives this important document for life

costs **only 100 francs**.

**A garden fence**  
keeps domestic animals such as goats and cows at bay

so that plants are not eaten and the vegetable garden thrives

costs **only 200** francs.

**A school sponsorship**  
to send a child to primary school for one year

costs **only 150** francs

for a child to attend secondary school for one year

costs **only 240** francs.

Give a child in Zimbabwe the gift of joy with a Christmas donation!
